

Our Response to COVID-19

CUSTOMERS, FRIENDS, AND FELLOW COMMUNITY MEMBERS WE ARE COMMITTED TO KEEPING YOU HEALTHY AND SAFE

Due to the Coronavirus pandemic, it is now more important than ever to ensure the well-being of our associates, clients, and consumers while still being able to provide everyone with their favorite snacks, drinks, meals, and coffee options.

With a commitment to safety and simple operational changes to our core service offerings, we can keep our communities nourished and fueled. Therefore, we have incorporated several precautionary measures into our daily operations and procedures in order to service you safely.

Precautionary Measures at Kwik Kafe:

- All employees have been instructed to avoid touching their eyes, nose, and mouth and to use proper etiquette when sneezing or coughing
- Reinforcing Food Safety Management System/ANSI-CFP standards for food preparation and service
- Employees in our building are directed to wash their hands thoroughly and frequently
- Employees are required to self-report on their health everyday
- Face masks, hand sanitizer, gloves, and social distancing, which is recommended by the CDC, are to be used and followed by employees in our company
- Commonly used surfaces in our building are disinfected multiple times throughout the day

Precautionary Measures at your Location:

- Gloves and face masks are required while operation within a customer's location
- All kiosks, coffee, and vending screens, touch pads, and buttons are sanitized with antibacterial spray every visit
- Employees on your location are directed to wash their hands thoroughly and frequently and to avoid shaking hands, giving high fives, or other forms of contact that can spread the virus
- Social distancing will be followed by our employees on your location

Contact Us!

We have been operating safely for essential business clients during this pandemic and are confident that we can offer full service at your location to meet your business needs safely and effectively. We can design a comprehensive plan that best suits your company in order for us to still be able to serve you safely.
